

LAGOON SPA VILLA

LAGOON SPA VILLAS (80SQM) – Gently awoken to the humming of brilliantly coloured birds and find delight in the vibrant nature right at your doorstep. Set amidst secluded lush gardens in the spa complex and by an alluring lagoon, our 80-square-metre Lagoon Spa Villa is a luxurious hideaway designed to offer indulgent relaxation and comfort amidst nature. The décor is elegantly complemented by Thai silk, plush bed linens, and local arts that gently blend with the rich brown teak furnishings, flooring and vibrant nature views from the large glass window.

A large window reveals the view of the tranquil garden and lagoon. The 22 SQM patio overlooking the lagoon is covered with a glass roof, allowing the warm sun light to penetrate onto the sun lounges. Relax and enjoy the tropical sun kisses just outside your private villa.
