

ROYAL SUITE

ROYAL SUITE

This 160-square-metre suite is the largest and most luxurious suite at the resort located on second floor, offering panoramic views of the gardens, pool and Andaman Sea from its ample balcony. With two bedrooms and a spacious living room, the suite is thoughtfully appointed with every imaginable comfort, custom-crafted furnishings, and amenities to provide the ultimate in pleasurable repose. The beautiful décor is rich in Thai influence with teak and local crafts accenting the modern elegance. The floor is covered with attractive teak parquet, and the master bedroom is furnished with a beautiful four-poster king size bed and features a luxurious en-suite bathroom. The second bedroom offers a twin bed and an en-suite bathroom. All bathrooms have a spacious closet, a large bathtub, a rainforest shower stall and twin vanities.

The family room is furnished with a chic oversized sofa, elegant armchairs with plush fabric, a dining table to seat six, a kitchenette with refrigerator and stove, and a 42" plasma TV with DVD Entertainment system, plus a broadband data port, refreshment centre and electronic safe.
